RESPONSE TO RESTRICTION AND ELECTION OF SPECIES REQUIREMENTS

MAIL STOP AMENDMENT

Commissioner for Patents
PO Box 1450
Alexandria, Virginia 22313-1450

Sir:

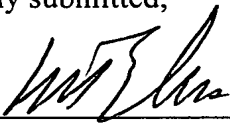

In response to the Office Action dated April 17, 2007, applicants hereby elect Group 1, drawn to a deposition of nanoparticles followed by an at least partial fusion of said nanoparticles, including claims 1-20, 22-30, 63-64, 68, 71 and 74-75 for prosecution in the subject application. There was a further species requirement regarding this group. However, during a telephone interview with the Examiner conducted on May 15, 2007, the Examiner clarified that no such species requirement was needed. Thus, Applicant elects Group 1 in its entirety.

Applicants, of course, reserve the right to file divisional applications covering the subject matter of the non-elected claims. Receipt of an initial Office Action on the merits is awaited

At any time during the pendency of this application, please charge any fees required or credit any over payment to Deposit Account 08-2025 pursuant to 37 C.F.R. § 1.25. Additionally, charge any fees to Deposit Account 08-2025 under 37 C.F.R. § 1.16 through § 1.21 inclusive, and any other sections in Title 37 of the Code of Federal Regulations that may regulate fees.

Respectfully submitted,
